

St. Edmunds Church, Crickhowell

Current Hire Rates

The fee for hiring the church is composed of several parts:

1. **Daily rate:** This is a flat fee charged regardless of how much of the day the church is used for.
2. **Hourly rate:** In addition, there is a charge for each booked hour of time.
3. **Heating charge:** In the winter months the church building is very expensive to heat and takes several hours to reach its working temperature. We charge a flat fee per day which does not cover the cost but provides a contribution it.
4. **Sound system:** If you require someone from the church to operate the sound system, we need to reimburse them for their time.
5. **Live streaming:** If you would like your event to be live streamed, we can do this for you for a fixed daily fee. The stream will be sent to YouTube as a public or unlisted video.
